## *About*

42 is an exclusive cocktail lounge in Mayfair, located at 42 Albemarle Street - where Gymkhana also resides.

An intricately carved bar showcases a delicate design of Indian peafowl, with dusty pink and deep crimson tones reminiscent of the sunset at Jaisalmer Fort. The cocktail lounge itself is a richer, darker affair of lavish fabrics and leathers which create a layered collection of paisleys, damasks, and embroidery.

## *The Drinks*

The drinks list at 42 features house cocktails, made with carefully sourced Indian ingredients and flavours, as well as a selection of elevated seasonal classics. Extensive Old & Rare and Champagne selections complete the list.
